Washington D.C. 20231 U.S.A.

Sir,

In response to the Office communication dated January 29, 2004, in which the Examiner requests to file a marked-up copy of the claims and to replace the parenthetical expressions "previously amended" with "previously presented", this is an integration to our reply filed on September 21, 2003.

As stated on page 2 of such reply, the claims had been prepared so as to show the amendments made. Unfortunately, the mark-ups were inadvertently lost when printing the reply, since the printer option to automatically hide changes on printed versions was selected. We apologize for the inconvenience and hereby re-submit the new set of claims.
